

SENIOR SURVEY INSTRUCTIONS

YOU WILL COMPLETE YOUR SENIOR SURVEY ONLINE thru the NHS website. Please take time to do this survey thoroughly and accurately.

The process is easy and you can update the information before graduation. Just follow these steps:

1. Go to www.nhs.springbranchisd.com and click on senior survey.
2. A login box will appear. STUDENT ID is your six digit NHS ID number. Password is your birth date using only numbers--no dashes or slashes. For all months and days of 1-9, do not use a zero before these. Use the single digit only. Type in all four digits of your birth year.
3. Examples would be: January 5, 1990 would be 151990
January 23, 1990 would be 1231990
October 31, 1989 would be 10311989
4. The next screen is the survey with your personal information at the top of the screen. If you see any mistakes, you may type in the correct information in the Comment Box at the end of the survey.
5. Just complete the questions by clicking the appropriate box and typing in the information.
6. Prep Course? And Private Counselor? Either click on the boxes for yes or just leave blank for no. If yes, type in the names of the course and or counselor. This information will not be published or connected to your name.
7. College Rep Visitation: this will be left blank.
8. Career Pursuing: This field will have the career you listed in the fall or not. You can add the career in the box.
9. Final College Decision: This will be a pull down menu. You will return to this part of the survey in May to complete this field when you have made your final college choice.
10. Type of College: Click on the box and select the appropriate choice from the menu. Ex. If you are attending The University of Texas at Austin, then select 4Yr Public In State.
11. There are six (6) boxes for scholarships to be listed. Please list each one separately.
12. Amt. Offered: Type in the dollar amount offered with NO dollar signs, commas, and decimal points. If you are offered a \$10,000 scholarship, it should be typed 10000.
13. Amt Accepted: If you are accepting the \$10,000, they type that figure again in the Amt. Accepted box: 10000. If you are not accepting that scholarship leave it blank.
14. If you have more than six scholarships to list, please write the additional scholarships in the comment box.
15. Once you complete the survey, click UPDATE RECORD under the comment box. This will take you out of the survey and back to the NHS site.
16. Please complete the survey as soon as possible. We would like to report total dollars offered and accepted in scholarships at both senior awards and graduation. SBISD also collects this data. No student names will be attached to the dollar amounts.
17. You may return to your survey page at later date and update the information. Please check and update information frequently. Please complete your final survey update after May 1.

THANK YOU FOR ALL YOUR HARD WORK AND DEDICATION.
